## **BAKER JOINS BISSO MARINE**

HOUSTON (July 27, 2010) – BISSO MARINE, a premier provider of energy and maritime support services, is pleased to announce the addition of John C. Baker as director of Quality and Compliance.

Baker directs and manages the company's ISO 9001:2008 Quality Management System and AWO RCP Safety Management System, including procedural development and auditing for compliance.

“My goal is to ensure that BISSO MARINE exceeds our customers' expectations regarding the quality services we provide while focusing on employee safety and protecting the environment,” he said.

Before joining BISSO MARINE, Baker served as manager of Corporate Quality and Compliance for Kirby Corporation, where he was responsible for the development and implementation of a formal employee involvement system aboard 260 vessels. Before that, he was president of J&L Vacuum Service Inc., an oilfield trucking company.

Since 1890, BISSO MARINE has provided quality services to the marine and energy industries, offering marine construction, pipe laying, salvage, heavy lift and diving services. With offices and strategic alliances located across the Gulf Coast, South America, Europe and Asia, the BISSO MARINE fleet is uniquely positioned to provide a full range of maritime services and emergency response across the globe.
