## **CAMPBELL JOINS BISSO MARINE**

HOUSTON (July 27, 2010) – BISSO MARINE, a premier provider of energy and maritime support services, is pleased to announce the addition of Joe Campbell as general manager of Diving and Subsea Services.

In his new position, Campbell manages all aspects of diving safety and diving operations for the company.

“The goal for BISSO MARINE is to create a world-class diving organization capable of working anywhere in the world,” he said.

Before joining BISSO MARINE, Campbell served as director of projects for Crossmar Inc., overseeing all subsea construction projects. From 1995 to 2008, Campbell worked with Cal Dive International. His global experience includes managing projects in India and Australia. Campbell has worked as a commercial diver and earned a master’s degree in international business from St. Thomas University.

Since 1890, BISSO MARINE has provided quality services to the marine and energy industries, offering marine construction, pipe laying, salvage, heavy lift and diving services. With offices and strategic alliances located across the Gulf Coast, South America, Europe and Asia, the BISSO MARINE fleet is uniquely positioned to provide a full range of maritime services and emergency response across the globe.
